Women's Aid Integrated Services DARS (Domestic Abuse Referral Service)

This is a confidential service for women that offers specialist support around problems and issues related to domestic abuse. We believe in encouraging women to make their own informed choices and to identify their own needs. We are non judgemental and will offer women support around the decisions that they make about their lives.

We offer information and support to any woman who is currently experiencing domestic abuse or has experienced domestic abuse in the past.

**Depending on what support you need,
the DARS service can**

- **Help you increase your personal safety**
- **Provide practical and emotional support for you**
- **Help you access and information to other specialist services**
- **Provide telephone and face to face support**
- **Sign posting and referrals**
- **Help you find a safe place to stay**
- **Help with legal advice**
- **A confidential space and time**
